NHTSA Recalls

NHTSA Recall ID Number : [19T025](#)

Synopsis : Michelin North America, Inc. (Michelin) is recalling certain CrossClimate+ tires in size 225/60R16 103V XL tires with DOT date code 4618. The tires are not marked with the required UTQG treadwear, traction or temperature gradings. In addition, on the designated outboard sidewall and on the inboard sidewall, the "DOT" certification symbol, which precedes the TIN (Tire Identification Number) has not been molded into the sidewall. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 139, "New Pneumatic Radial Tires for Light Vehicles." Without the proper markings, the tires may not be used in the appropriate driving conditions, increasing the risk of a crash. Michelin will notify owners, and dealers will replace the tires, free of charge. The recall is expected to begin January 30, 2020. Owners may contact Michelin customer service at 1-866-324-2835.

Greetings E-team.

I want to begin this year to thank each of you for your participation last year and hope it will continue moving forward. With that, I want to encourage you to check out the new GroupWork program provided by GWRRA for our use. It will help us provide secure communications with all of our participants.

Also, back January's newsletter we post our yearlong calendar. We will update our calendar as required in future editions, you will find a three-month calendar view with our events listed within each newsletter. If you are riding two wheels, please look the calendar and help with one or two of our

fundraising (triathlons) efforts.

Please check out the updated Officer's Handbook. You can find it online at www.gwrri.org. It will provide you with our guidelines governing our organization.

Finally, we will be attending our Annual Officer's Conference for the district. All are welcome to attend and if you cannot and have questions or ideas for the leadership, please do not hesitate to let myself or any team leaders know and we will pass it along.

I want to wish everyone a great 2020 and a safe and fun riding season!

Let's Ride Safe,

Claude

Chapter Director:

Gordon Combs

We had a wonderful start to the New Year and the new decade. At 10 am on the first, twenty-one of us met at Golden Corral for

our annual New Year's Day breakfast and ride. We spent a little over an hour enjoying each other's company. Just after 11 am, eight of us left to mount up for our ride while the rest socialized a little longer. In attendance was Gordon, Larry, Claude,

2020 New Year's Day Breakfast and Ride

Dave, Nolan, Lloyd, Mike and his friend Sam, a new wing owner. Gordon led us through a myriad of back roads out to Lake Anna. The ride was set up to be a tour of almost all the bridges that cross over Lake Anna. (Hint, there are 14 bridges that cross over portions of the lake, we crossed 13 of them and some of them twice.) Half way around the lake, we stopped at the Lake Anna Yacht Club to take a group picture. After that, four of us had to depart for home while the other four completed the tour around the lake. From Golden Corral and back, we added 115 more miles to our trusty steeds. The

weather was beautiful and the camaraderie was even better.

What a great start to the 2020 riding season.
