The Joy Of Christmas

"He who has not Christmas in his heart will never find it under a tree." -Roy L. Smith

This morning I woke to find the lawn covered in white. The first snowfall of the season.

Wife - happy.

Grandson - VERY happy.

Yours truly - looking back and forth between three white golf balls and a white lawn, thinking: "Dude - you have to write a newsletter article!" And so here I am. It's officially Christmas time.

Walking my granddaughter past Santa's jovial, smiling face on the garden flag.

Pop-pop: "You know who that is, don't you?"

Nova: "Of course. You."

Okay - NOW it's official!

This past year as Chapter Director of VA-E has been great fun. Peggy and I have treasured re-connecting with Chapter members, and meeting many new folks through the Virginia District, and many from ever further away. We have had fun at meetings, gatherings, maintenance days, boat rides, ROMEO rides, District Rides, Fred Nat's games, District All-Chapter Picnic, Rally in the Valley and the tornado dodging Wind'g Rider Rally #1 in Lichfield, IL. At every event, every get

together there has been fun, fellowship and laughter. There is always laughter. And that's why people gather.

As you read in the last newsletter, illness and sore bones & muscles have interfered in our normal riding schedule and habits. But we still gather regularly.

As we approach 2024, let's endeavor to make our gatherings bigger, more frequent, even more fun.

"The principle advantage of the (grand)-parent lifestyle is that on Christmas Eve you need not be struck dumb by the three most terrifying words that the government allows to be printed on any product: 'Some assembly required.' - John Leo

And here now the news -

We have changed our monthly gathering location to Ledo's Pizza in Southpoint. We met there in November, and everyone agreed we liked the room, the service and the food. So, come-on out December 20th for some Christmas cheer. dinner and laughs. You might as well show up: ya'll gotta eat anyway.

Virginia Wing'd Rider Planning / Ops Meeting is January 20th - 10:30am - at Jefferson-Madison regional Library, Charlottesville. Here we discuss and plan all events District -wide for 2024. If you have any ideas or input, let me know. Better yet, join me; I'd love to have more representatives from VA-E. Mark your calendar.

Wing'd Rider Rally #2 registration is open. There is a discount registering before Dec. 20th The Rally is in Litchfield, IL again, June 26th-29th, 2024. I am attending, hopefully not alone.

Virginia Wing'd Rally registration is also open. We have a new venue and new dates for 2024. Our host hotel is the Hotel Madison in Harrisonburg, August 29th-31st. It's a lot closer than Lynchburg and Roanoke, so let's take advantage and have a great turn-out. I can personally vouch that EVERYONE who attended this year's Rally had a great time. Come join in for some serious fun and great rides.

We're working on the details for our annual New Years Day breakfast and Ride. We had a record turnout last year, and we're hoping for the same (weather & aches permitting). Watch your e-mail for details.

Peggy and I are leaving to cruise the Caribbean December 15-22. Never been to the islands; never took vacation this close to Christmas. This was the rationale for having the tree and house completely decorated the first weekend of November. Very early. By radio, I've heard "I saw Granma Kissing Santa Clause." Fifty-eight times. Since Saturday. ***I'm outta here!***

Peggy and I wish everyone a heart-felt Merry, joyous and relaxed Christmas; and prayers that 2024 brings health, prosperity and friendship. ***And to all, a good night.***

Joe & Peggy Herron

Your thoughts, ideas and suggestions are always welcome.

Assistant Chapter Director:

Nancy Groves

Hello friends,

I hope you will consider joining us at the December gathering. There will be door prizes and game prizes!

I would like to share an update regarding Butch's health. As you may know he has been on dialysis at home for a year while going through various tests to become active on the kidney transplant list. Unfortunately we have hit a bump in the road on the transplant journey. He has recently been diagnosed with prostate cancer. A PET scan is scheduled for 12/20/23 and we will meet 1/4/24 to discuss the results and treatment options. We will be sure to keep you updated when we have a plan. He is doing well, and the dialysis is doing its job. The doctor recently told him his numbers were fabulous :-)

Until then, have a safe and Merry Christmas and a Happy New year!

Reflections

Here we are, the end of the first year since GWRRA closed down for good. We are now Battlefield Wings, and we associate ourselves with Wing'D Rider. You do not have to be a member of Wing'D Rider to be in Battlefield Wings and we do not have any membership fees or dues. Battlefield Wings was chartered into GWRRA back in October 1987.

Which leads me to the next part of my article. The only founding member of Battlefield Wings that is still in our group is Dan Fritz. I am saddened to tell you that Dan has suffered his second stroke recently. His wife Martha Jo informed me that his legs are not working well, his balance is off, he even has trouble with a walker, and he has been sleeping in a hospital bed set up in their living room as it is too hard to get him to the

bedroom. And Martha Jo said the worst part is that he is forced to eat her cooking 🤪 As a lot of us know, Dan is a pretty good cook. We could count on Dan to bring many good dishes and desserts to our events, especially to Fall Sprawl, which was Dan's main event that he and Martha Jo always secured for us. I sure do miss those times spent with both of them.

Battlefield News January/February 2024, VOL 36 ISSUE 1

Dan could surely use some cheering up, so I encourage you to reach out to him by phone, email, or mail. His cell # is 540-903-2897, his email is fritznfrienz@aol.com, and his address is 2 Coyler Rd Fredericksburg, VA 22406.

Butch and Nancy Groves are two other long-time members who joined in the later part of the 1990's and have been, and still are, very active members of Battlefield Wings. I told you in the last newsletter that Butch is suffering from kidney failure and is on the list for a kidney transplant. I am saddened to now inform you Butch was diagnosed with prostate cancer. This type of cancer is highly curable, and we are praying for the best possible outcome. The negative here is that currently Butch is doing at home dialysis every day which takes hours and confines him to home in a chair. He was hoping to get a kidney transplant soon, but with this new diagnosis, he has to be put on hold for a transplant until the prostate cancer is finished being treated. This will delay his transplant for quite a long time. As you might expect, this is a real downer for him. Butch can be reached by his cell # 540-760-6871, his email 77butch87@gmail.com, or his address P.O. Box 213 Partlow, VA 22534.

On a lighter note, we sure hope you can come out and join us for our last Social Gathering of the Year on Wednesday, December 20th, at Ledo's Pizza 9849 Patriot Hwy, right across the parking lot from Target in Cosner's Corner. We eat at 6, party at 7. When I say party, it will be a bit subdued this year as our party planners all have family health issues to deal with and it was decided that we would just give away some extra gift cards as we play bingo and socialize together. So, if you think you have a winning streak, we would love to have you join us.

On January 1st, we will continue our tradition of eating breakfast and going for a ride (weather permitting). We are eating at Golden Corral in Massaponax at 10 and leaving from there for the ride. We again hope you can join us.

As we go into 2024, at least for the first half of the year, all of our Wednesday Social Gatherings will be at Ledo's Pizza, so please take note and I will remind you monthly by email.

Also, as we transition to 2024, it was decided to publish our newsletter every other month, so this newsletter is the January/February issue.

Julie and I wish all of you a very Merry Christmas, and a Happy New Year....May God Bless you all and keep you safe!

Safety Tips from the Leroy Gross

Hello everyone,

During this time of year motorcycle riding can present some challenges due to the cold weather. We haven't seen much cold weather yet but it will most likely get cold in the next month or so. The following is a list of things to think about to help everyone be more prepared for cold weather riding.

- Wear the right gear. Layering is recommended. Heated gear is probably the most effective way to stay warm. Be sure to keep all parts of your body warm especially fingers and toes so spend the extra money on the heated gloves and socks. Remember that cold weather and heated gear are hard on your battery so be sure your battery is in good condition. Pinlock helmet shields prevent the shield from fogging in cold weather. They allow us to keep a full face or modular helmet shield closed blocking wind from our face and head. Balaclavas and scarves around your head and neck help keep you warm but be careful not to restrict your ability to turn your head to see.
- Block the wind. The outer layer of your gear should block as much wind as possible to avoid the effects of wind chill. Most rain gear blocks wind pretty well and makes a good outer layer. Use a larger windshield or raise your existing windshield to block more wind.
- Keep your tires inflated and understand the effects of cold weather. Tires don't interact effectively with the pavement until they reach about 135 degrees fahrenheit. This takes longer in cold weather

and your tires will cool faster when you are not moving. Tire pressures remain lower in cold weather so be sure you are at the recommended cold tire pressure before you ride.

- Motorcycle fluids. All the fluids take longer to heat up and become as effective as necessary for proper mechanical function. Allow time for the machine to warm up. Be sure that the antifreeze in your motorcycle is capable of handling the temperature.
- Keep your brain working. Be sure to eat and hydrate. We burn more calories in cold weather. At some point in becoming hypothermic (cold) our mental processes begin to slow. We may not recognize this ourselves so we may need to help our friends who we see having issues with logical thinking.
- Road surfaces change in the winter. Watch for potholes, rough pavement, bridge joint separations, leaves and ice.
- Other drivers don't expect us to be on the road. Be aware of that fact and do all we can to be visible to other drivers and expect the unexpected.
- Know your limits. We are all different. Know your physical and mental limitations. Know when to turn back due to snow or ice or it's just too cold for you. No ride in the cold is worth illness or injury. Know when to quit.

Be safe everyone,
